TUBERCULOSIS CLINICS ARE HEALTH INSURANCE

The tuberculosis clinic with its bare chest examinations, is of first and last importance in combating consumption. Through the clinic, doubtful cases are diagnosed early enough to permit the successful treatment of the disease, and convalescent patients are guarded against the danger of a hidden relapse. Loss of appetite and decrease in weight are symptoms which call for a thorough chest examination, for a deranged stomach is often one of the first signs of tuberculosis. Just at this period, when the patient believes himself only the victim of "stomach trouble" or "overwork", the clinic renders invaluable service by diagnosing the disease so early that there is every chance for its permanent arrest. The safest course for the man in doubt is to have a chest examination. The examination certainly will not give him tuberculosis, if he is free from the disease; and if he really has it, early discovery of the fact may be his salvation.

At the other end of the story is the convalescent, the discharged sanatorium patient. A return examination is a safeguard for him which should under no circumstances be neglected.

In the follow-up correspondence which the Michigan Tuberculosis Association now carries on with all patients discharged from the State Tuberculosis Sanatorium, the convalescents are reminded at the end of three months that they should return to the sanatorium for examination. The state sanatorium gives free examination to ex-patients every Thursday afternoon.

Many county tuberculosis societies use part of the funds from their annual Christmas seal sale to support a permanent tuberculosis clinic. The presence of such a clinic is health insurance for the community which establishes it.

TB. CHRISTMAS SEALS WIN GENERAL SUPPORT

People with a heart for helpfulness will find in the sale of Christmas seals a simple and effective form of service to a group of most needy people.

Bishop THEODORE S. HENDERSON
Detroit Area M. E. Church.

The annual Christmas seal sale that is about to begin is the only means available for financing this great campaign, and I bespeak for it the cooperation of farmers all over the state.

JAMES NICOL,
President Mich. State Farm Bureau

I do most heartily endorse the sale of the seals and fully expect that the club women of Michigan will in every way possible lend their support.

MRS. DORIAN RUSSELL,
President Mich. State Federation of Women's Clubs.

As it does not come to the average citizen to help in this matter (tuberculosis prevention) directly, he should help indirectly by purchasing these seals and earnestly holding their sale to the limit of his ability.

ROBERT B. HARKNESS,
Department Commander,
American Legion.
